NEWS

Spring is here...

Secure.IT

Oakley.IT subscribes to Ringmaster from Beds Police, a messaging system that sends members info about criminal activity in Oakley.

The following message was recently received:

* A burglary took place in Highfield Road, in Oakley, between the 1st and the 8th of March. The door to the garage had been left unlocked.

* Outbuildings, sheds and garages are vulnerable to criminals, and are often not the best place, to store high value items.

Always lock shed and garages, and help keep sheds secure with a good quality padlock, and hasp. If possible anchor down items, like bikes and lawn mowers.

If you have any info about this crime or suspicious incidents, call the Police on **(01234) 841212**, and quote crime reference, JH/10156/2011.

Thanks to everyone who has given us their used cartridges and toners.

It's fabulous that so many of you have recycled your old toners and ink cartridges. The printer seems to be in use all the time, especially if you have young children, using more paper and ink, increasing the impact of recycling. So, **Oakley.IT have decided to make recycling (through Cartridge World) a permanent service** so please let us have any empty or unwanted ink or toner cartridges – we'll ensure that they're properly recycled. See www.OakleyIT.co.uk/recycle

Train.IT (www.OakleyIT.co.uk/training)

Present.IT (www.OakleyIT.co.uk/presenting)

Oakley.IT have sponsored Jon Lever FRICS of DeLever to deliver a 7 stage presentation training course at the Oakley Village Hall.

Jon is a professional presenter and motivational speaker and has been delivering presentations for the last 10 years. He has produced a tried and tested interactive programme of seminars based upon 7 steps to perfect presentations and public speaking. Jon's ethos is "never do anything you don't enjoy" and will endeavour to make these seminars fun and informative.

Oakley.IT think this will be a great opportunity for the community and will be sponsoring the sessions to make them as cost effective as possible.

The course will comprise 7 two and a half hour sessions.

The first session will be FREE and based on "An introduction to presenting" Other sessions circa £25/head.

You will benefit from these seminars if you have to present yourself or products, talk to groups of people, deliver training / teaching etc or just have a general interest in developing personal skills.
